## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 103***

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

**Claims 1-8 remain rejected under 35 U.S.C. 103(a) as being unpatentable over Scharschmidt et al (US 3,615,677) in view of Martinez-Bustos et al (US 5,532,013) for the reasons as stated in the previous Office action mailed December 11, 2007.**

Regarding the newly added limitation of the specific starches in the non-steeped corn blend, it is noted that in addition to starch being contained in corn blend material and soy flour, Scharschmidt et al discloses using wheat flour (Abstract, Col. 1 lines 61-62, Col. 2 lines 17-18, Col. 3 lines 7-9, 22-23). Therefore, since Scharschmidt et al discloses wheat starch from cereal flour (wheat flour), then Scharschmidt et al discloses the particular starch as claimed.

### ***Response to Arguments***

Applicant's arguments filed July 16, 2008 have been fully considered but they are not persuasive. Applicant urges that Scharschmidt discloses soy flour and therefore does not teach or suggest all of the limitations of the amended claims, which now further recite specific starches. However, as discussed above, in the body of the rejection, Scharschmidt et al discloses the newly recited wheat starch.

### ***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
